Alca PLAST

WARRANTY CERTIFICATE

Product name:		Product code:	
Customer name/ company name and identification number:		Address customer / company:	
Stamp and signature of a plumber:	The plumber's stamp shall be located on a surface not smaller than 4 cm² and not folded over for the first time	Date of installation:	

Warranty period

The warranty applies to products, manufactured by Alcaplast, and deposited with the purchase contract or defects have been submitted to the seller within the warranty period. With expert and professional in sanitary you can significantly reduce unfunctionality, utility value of the product and thus increase satisfaction. Alcaplast products, installed by a professional plumber, are provided with an extended warranty period. In all other cases, the warranty is for 2 years only from the date of receipt (purchase of goods from the retailer.

Warranty conditions

- The Buyer is required to deposit the goods upon receipt from the seller. Subsequent claims related to obvious defects are not accepted by Alcaplast s.r.o.
- Any claims on the purchased product, the buyer must submit in full or as only through the dealer from whom the goods were purchased. Prepare your original purchase receipt and file apply for the extended warranty you will also need the warranty Certificate.
- Products installed in building structures (medical ex., drains, traps, etc.) must be installed in such a way to enable their service and maintenance (e.g. service openings in the bathtub). Alcaplast, in any case does not cover the cuts associated with damage to tiles, floor tiles or other equipment that may arise in the case of non-compliance with these rules.
- The right to claim both standard and extended warranties given by the manufacturer expires:
  - Failure to present the original proof of purchase (sale of) claim
  - the given warranty period, for the claimed product has expired
  - violation of any provisions and details, if evidenced on the product
  - unprofessional installation
  - damage to the goods during transportation (such damage must be claimed directly with the shipping forwarder)
  - use of goods in conditions or fluids not match the allowed temperature, dust, mixtures, chemical and mechanical environmental influences, used for the product
  - unprofessional installation, handling, operation, or negligence of goods (eg. unsuitable cleaning agents, limescale build due to no maintenance)
  - if the goods are damaged by excessive load or use contrary to the allowed conditions specified in the installation manual or in the applied documentation or general principles of handling of such products
- The right to claim the extended warranty also does not arise in the following cases:
  - if the warranty card was not confirmed by a perfect and plumber
  - if only a proof of purchase is presented without a warranty card duly signed by an installer, then only the standard warranty of 2 years is applicable
- Warranty does not cover wear and tear caused by normal use.
- Conditions for extended warranty do not apply for non-replaceable consumable parts and components which are subject to operational wear.

Product group	Basic WARRANTY (Number of years)	Extended WARRANTY (Number of years)

Authorized Signature

ABCD COMPANY LTD.

TIMELINESS GUARANTEE

ABCD COMPANY LTD. Guarantees repairs to your property will be completed in a workman-like manner and completed within a reasonable time period.

Authorized Signature

ABCD COMPANY LTD.

The first step in using our forms effectively and easily is to bring together the preferences and contractor requirements or construction company where the form will be used, including the size and layout of the preferred file . After finalizing the choices, the form that meets most requirements and preferences must be chosen and downloaded by clicking the download button next to the sample image of the form or model. Put the company's general information, such as the name of the contractor, address and license information of the subcontractor as the first parts of the Content. In the third section, the coverage of the cover included in the limited warranty shall be indicated, while the fourth set establishes the term of the warranty, and the fifth section specifies the transferability of the Warranty. This is followed by a warranty reclamation warning statement as the second section of the form. It should be authenticated by a public note. Specifically, the limited warranty contract form of a contractor contains ten sections, where the first section serves to document the name of the contractor, the owner and the address of the project. The second part, on the other hand, collects the information and description of the scope of the project, the third part specifies the details of the warranty and the last part contains the signature block for the name and signature of the User of the warranty form.5. Subcontracting warranty form: This is the simplest type of guarantee form, which is composed of a single page. Contractor's limited warranty contract form: This is the type of form that contractors must use if limiting their customers' assurance claims is their goal. Not fulfilling the patterns will result in dealing with penalties and consequences. Contractors are required to provide complete details and information for their customers, including their guarantees and on on lepap ues ed etrap omoc EHT Gninatbo SDOHTEM EHT TNEMUCOD BORO MRO EHT SNOITCES RUOF TSAL EHT EHT .SITRAP DEERVI NOPU NOPU DNA DNA NWONK EB TEXUSID EB Ytnarraw DNNARTH EB DNO Snoisulcni DNA, Shel Surr, SnoitatMil EH NIEREHW MROT ROTCARTNOG AND NO NOTNEMUOD Eseht.
